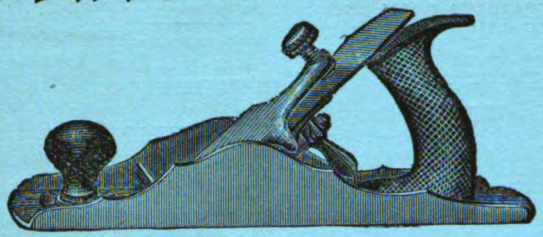
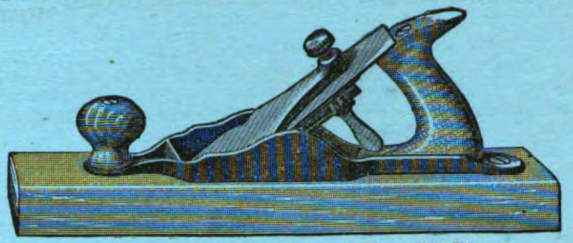
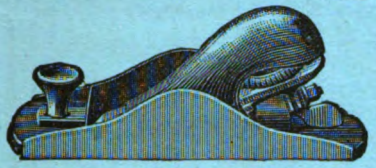
CHAPLIN'S PATENT IRON AND WOOD BOTTOM PLANES.



Jacks and Jointers.



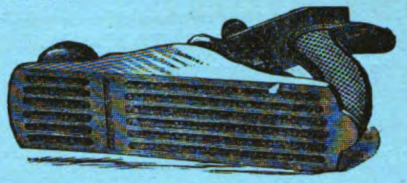
Jack Plane.—Nos. 77, 78.



Nos. 20 and 30 Blocks.

These planes (*with a smooth face*) have been in the market for many years, obtaining a steadily increasing trade as they have become known. We claim for them the utmost simplicity of construction, prompt adjustment and superior beauty of style and finish.

The clamp plate and lever are nickel-plated; the handle is of checkered rubber, which is stronger than any wood handle, and affords an easy, firm grip—also made with nickled iron handle.



Smooth Plane, Corrugated Bottom.

This Cut shows the surface of our new Corrugated Iron Planes. The corrugations afford ample air spaces, and reduce the traction and friction to the minimum. Same price as smooth face.

Corrugated face.	Smooth face.	
	No. 202, Iron Smooth Plane, 7x1⅝ in. Cutter	$3.00
	No. 203, Do., do., 8x1¾ in. do	3.52

	No. 20, Block Plane, Japanned, 6½x1⅝ in. Cutter	1.40
	No. 30, Block Plane, Nickel-Plated, 6½x1⅝ Cutter.	1.65

The Adjustable Mouth Smooth Plane is a new feature, and meets with a great deal of favor.

OUR NEW WOOD BOTTOM PLANES.

The Clamping Plate and Lever are nickel plated; the Beechwood has been thoroughly seasoned and is a thicker block than usual, though the Plane is no heavier than those already in the market.

No. 72.	Smooth Plane, 7 x1¾ inch Cutter,	$2.00
